

NAHB IBS™

**AYA WILL BE EXHIBITING TWO KITCHENS UNDER AN EYECATCHING CANOPY AT THE INTERNATIONAL BUILDERS SHOW**

At this year's NAHB International Builders' Show (IBS) , AyA Kitchens will be pushing the boundaries of modern and traditional. AyA's booth showcases contemporary Canadian design celebrating natural wood and fine cabinetry. AyA will be sending two new displays to IBS. The first is an ultra modern kitchen featuring Manhattan Anthracite and Cirrus Slate Grey Oak. Exploring the compact space concept, this display has a fully integrated 24" fridge, compact telescopic hood and a 36" pull-out table that can be completely stored away. The second display is transitional and marries traditional elements with modern influences. Featuring AyA's Pacifica cabinetry in Oyster and Midnight Blue, this kitchen features a custom wide plank maple island top with a live wood edge and multi-coloured tile backsplash. The booth will be enveloped with a freeform maple canopy, a unique reciprocal structure imagined and executed by Q&A Design.
